

Middle East Humanitarian Crisis Appeal

Numerous lives have been significantly affected by the ongoing crisis.

The recent escalations in the Middle East have exacerbated an already complex and protracted humanitarian crisis, impacting the lives of millions, and bringing uncertainty and fear to individuals and families. The crisis has led to significant challenges, including displacement, infrastructure damage, and a heightened need for vital assistance.

The Canadian Red Cross is supporting the Red Cross Red Crescent Movement efforts to alleviate suffering and provide humanitarian assistance for people affected by the ongoing and escalating October 2023 crisis in the Middle East.

Your support will help us deliver urgent aid to people impacted. And we stand ready to provide additional support as the full extent of needs becomes known.

Please give today to help people impacted by the Middle East Humanitarian Crisis.
