

Canadian Wildfire Fund Appeal

As a donor, your contribution to the Canadian Wildfire Fund will enhance Canada's readiness and response to the escalating wildfire risks and bolster resilience. Your support may be used to address preparedness, immediate relief, and longer-term recovery for wildfire events within Canada.

Some provinces are familiar with the orange skies that appear every summer during wildfire season, but last year's wildfire season left a lasting impact on hundreds of thousands of lives across Canada. It forced thousands of individuals and families to evacuate to find safety, leaving them uncertain about their next steps and the fate of their homes.

The Canadian Red Cross has launched the Canadian Wildfire Fund, to ensure that no one falls through the cracks, that even the smallest and most remote communities are supported.

Your support will help us deliver urgent aid to people impacted, reduce risk throughout the fire season, and increase resilience for future events.
