**Encroaching wildfires are rapidly spreading across Saskatchewan, forcing people and families to flee their homes.** On May 30, 2025, a state of emergency was announced. The Canadian Red Cross has launched the 2025 Saskatchewan Wildfires Appeal during this time of need.

Right now, Red Cross teams are already on the ground, working around the clock along with Indigenous leadership and provincial and municipal governments to support individuals, families and communities impacted by the wildfires in Saskatchewan.

The Government of Canada will match donations to the 2025 Saskatchewan Wildfires Appeal from May 30 to June 29, 2025.

**Every \$1 donated will become \$2** to support the families and individuals most affected by the wildfires.

**As a donor, your contribution to the 2025 Saskatchewan Wildfires Appeal will help people and families in this moment of need.**

Your generous donation will be used for assisting those impacted by the wildfires in Saskatchewan with immediate and ongoing relief including financial assistance, support to evacuees and recovery efforts.
